- [Track UTMs in Calendly](#)

# UTM Tracking in Calendly using init

Please insert the following code. Make sure replacing the URL with yours.

```
<!-- Calendly inline widget begin --><div id="handlCalendly" class="calendly-inline-widget"
style="min-width:320px;height:580px;" data-auto-load="false"><script type="text/javascript"
src="https://assets.calendly.com/assets/external/widget.js"></script>
<script>
setTimeout(function(){
    Calendly.initInlineWidget({
        url: 'https://calendly.com/YOUR_LINK/30min',          parentElement:
document.getElementById('handlCalendly'),
        utm: {
            utmCampaign: Cookies.get("utm_campaign"),          utmSource:
Cookies.get("utm_source"),
            utmMedium: Cookies.get("utm_medium"),              utmContent:
Cookies.get("utm_content"),
            utmTerm: Cookies.get("utm_term")
        }
    });
}, 1000);
</script>
</div>
```

You should see the UTMs after the booking in Calendly

08:00am - 09:00am
