

# Ninja Forms To Integromat

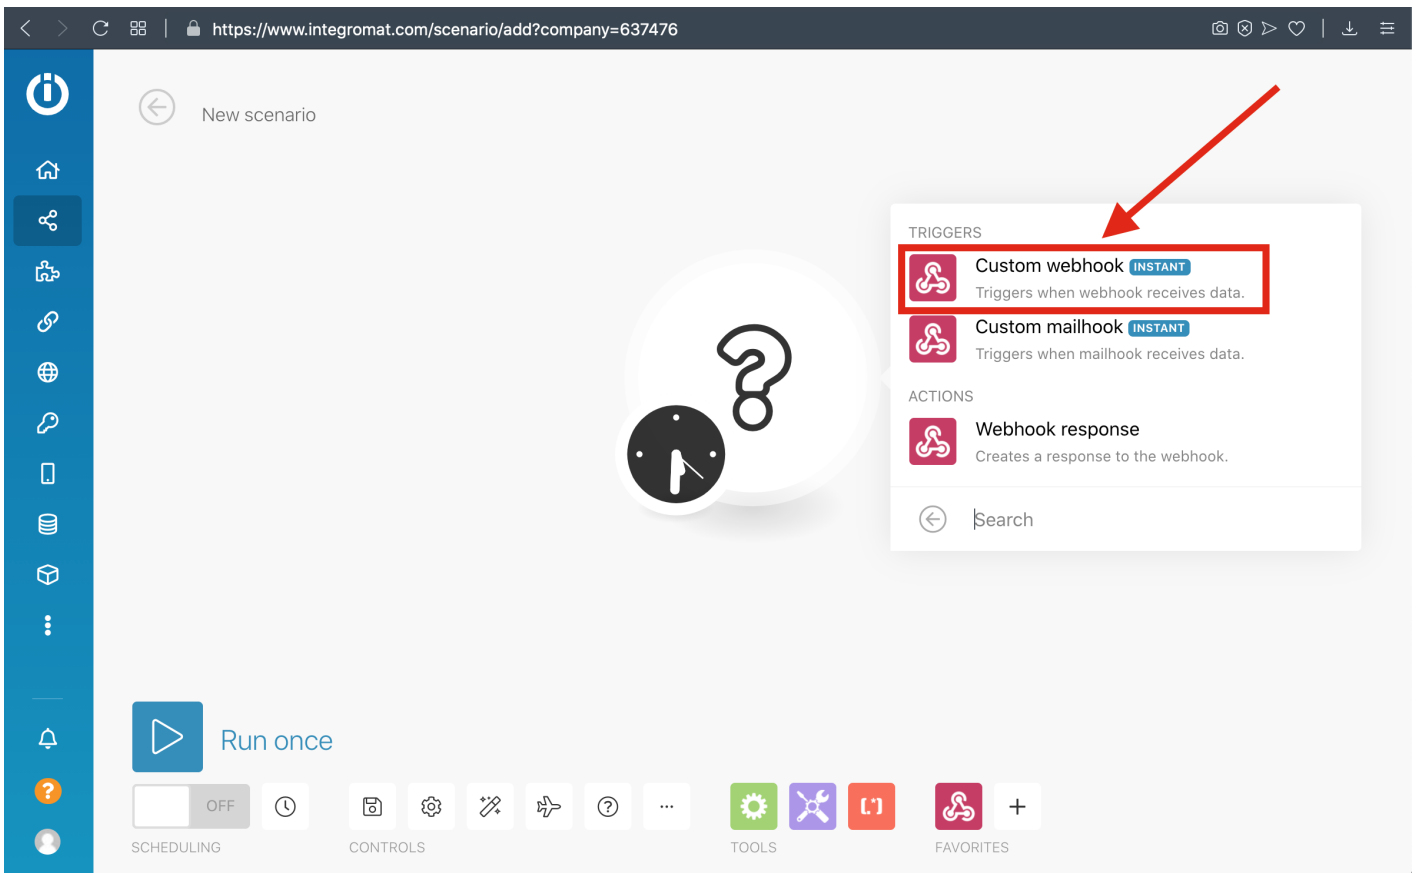

## 1-) Create a new Scenario

## 2-) Select Webhook and Click Continue

### 3-) Select Custom Webhook

## 4-) Click Add and Enter your Webhook Name then save it

The screenshot shows the Integromat interface for managing webhooks. The main window is titled "Integration Webhooks". A modal window titled "Add a hook" is open, allowing the user to create a new webhook. The "Webhook name" field contains "My Webhook For Ninja Forms". Below it is an "IP restrictions" field, which is currently empty. A tooltip explains that this field is for a whitelist of IP addresses. At the bottom of the modal, there are "Cancel" and "Save" buttons. A red box highlights the "Save" button, and a red arrow points from it to the "Add" button in a secondary modal window titled "Webhooks". This secondary modal shows a list of webhooks with an "Add" button highlighted in a red box. The background interface includes a "Run once" button and a bottom navigation bar with sections for "SCHEDULING", "CONTROLS", "TOOLS", and "FAVORITES".

## 5-) Copy the Webhook URL to the clipboard and click 'OK' then click Run Once Button

The screenshot shows the Integromat web interface. At the top, the browser address bar displays <https://www.integromat.com/scenario/add?company=637476>. The main content area is titled "Integration Webhooks" and features a large circular icon with a lightning bolt and the text "Webhooks 1 Custom webhook". A modal dialog titled "Webhooks" is open, showing a form with the following elements:

- Field: "My Webhook For" with a "Go to Web Address" button and a "Copy" button.
- Text input: `https://hook.integromat.com/cocy2swsyqh9onx7o4lh1y92w` (highlighted with a red box).
- Text: "Integromat is now listening for the data and will determine the data structure from the incoming data automatically. To initiate this, please send your data sample to the webhook address displayed above."
- Buttons: "Stop" (with a red circle icon) and "Copy address to clipboard".
- Text: "For more information on how to create a webhook in Webhooks, see the [online Help](#)."
- Footer: "Show advanced settings" (checkbox), "Cancel", and "OK" (highlighted with a red box).

On the main interface, a red arrow points to a "Run once" button (a play icon in a green box) located in the bottom left area. Another red arrow points to the "OK" button in the modal dialog.

**6-) Paste The Webhook URL that you copied before to the Integromat section From UTM Settings**

HandL UTM Grabber

HandL Options Custom Fields Predefined Variables

Append UTM  Append UTM variables to all the links automatically (BETA)

Zapier Webhook URL

Cookie Duration  days

Domain   
If you are using subdomains and lock all the cookies to parent domain. You can do so here. e.g. `.domain.com`

Enable GDPR  Check if you'd like to be complaint with EU's GDPR.

Version 5.5.1

## 7-) Go To Campaign URL Builder and Copy The URL

Fill out the required fields (marked with \*) in the form below, and once complete the full campaign URL will be generated for you. *Note: the generated URL is automatically updated as you make changes.*

\* Website URL   
The full website URL (e.g. `https://www.example.com`)

\* Campaign Source   
The referrer (e.g. `google`, `newsletter`)

\* Campaign Medium   
Marketing medium (e.g. `cpc`, `banner`, `email`)

\* Campaign Name   
Product, promo code, or slogan (e.g. `spring_sale`)

Campaign Term   
Identify the paid keywords

Campaign Content   
Use to differentiate ads

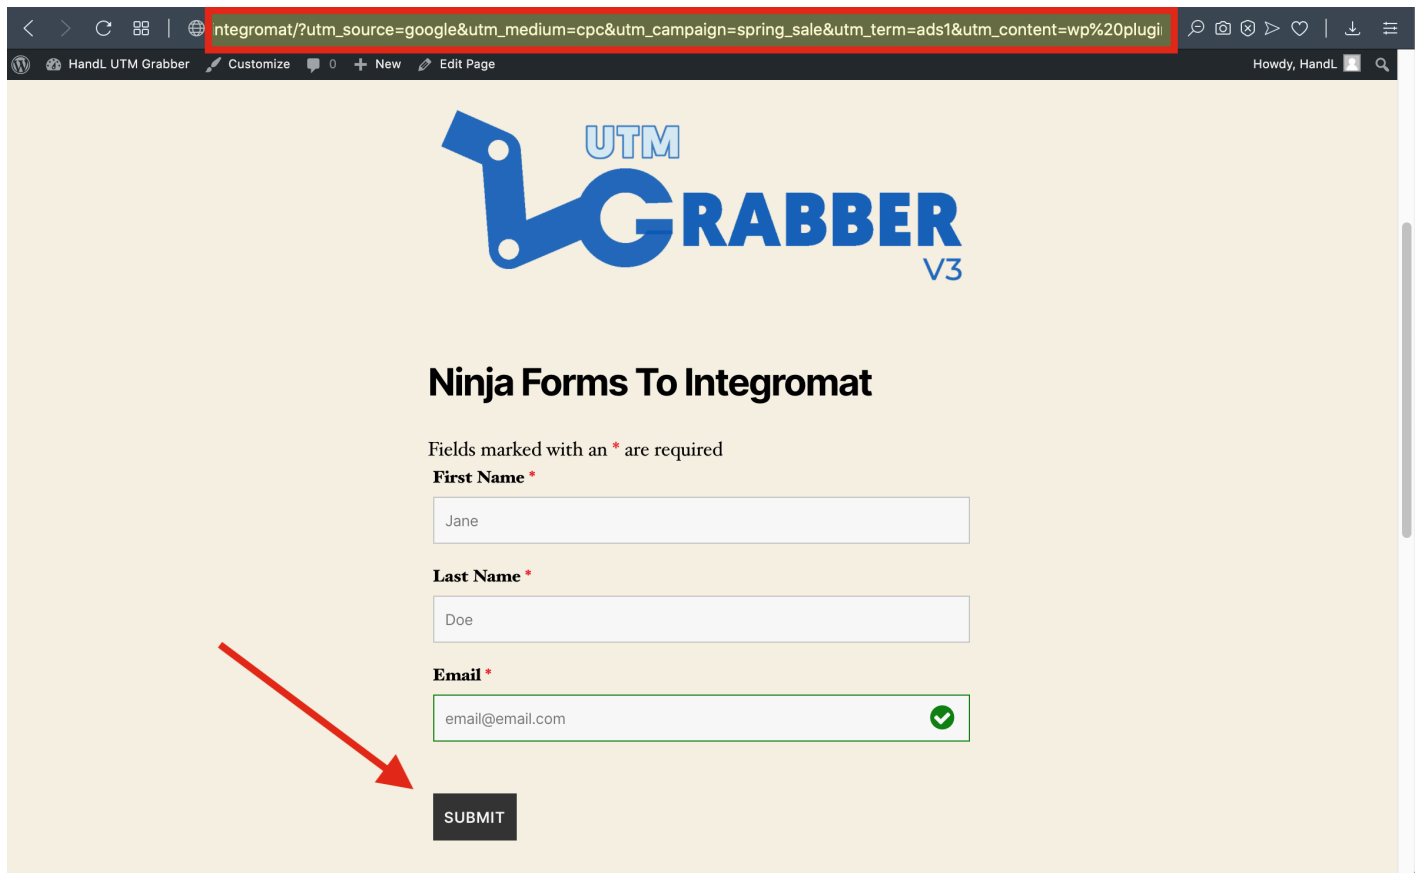

Share the generated campaign URL

Use this URL in any promotional channels you want to be associated with this custom campaign

Set the campaign parameters in the fragment portion of the URL (not recommended).

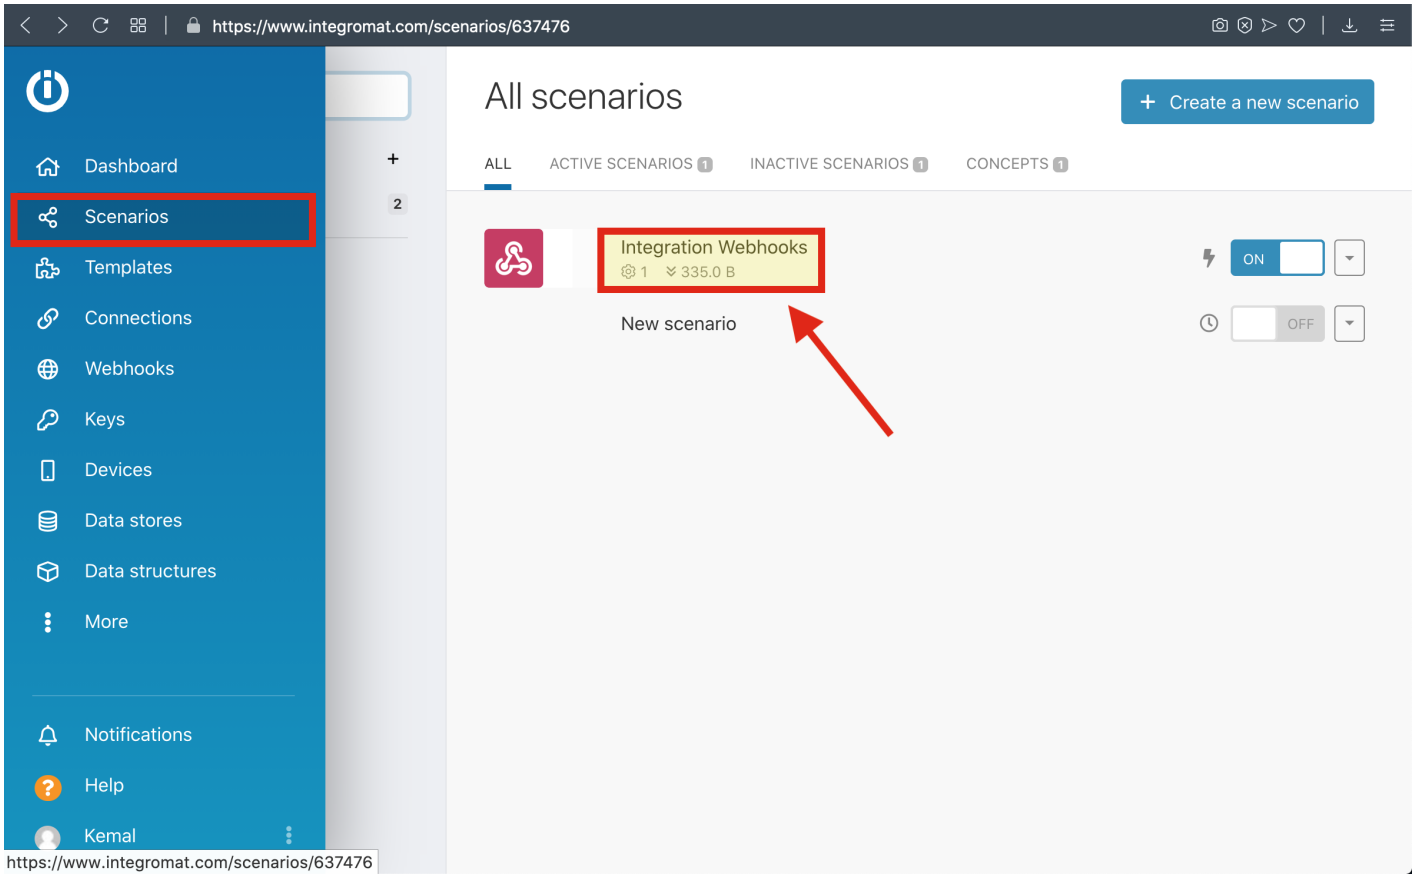

[Copy URL](#) [Convert URL to Short Link \(authorization required\)](#)

## 8-) Paste The URL and Fill The form then send it

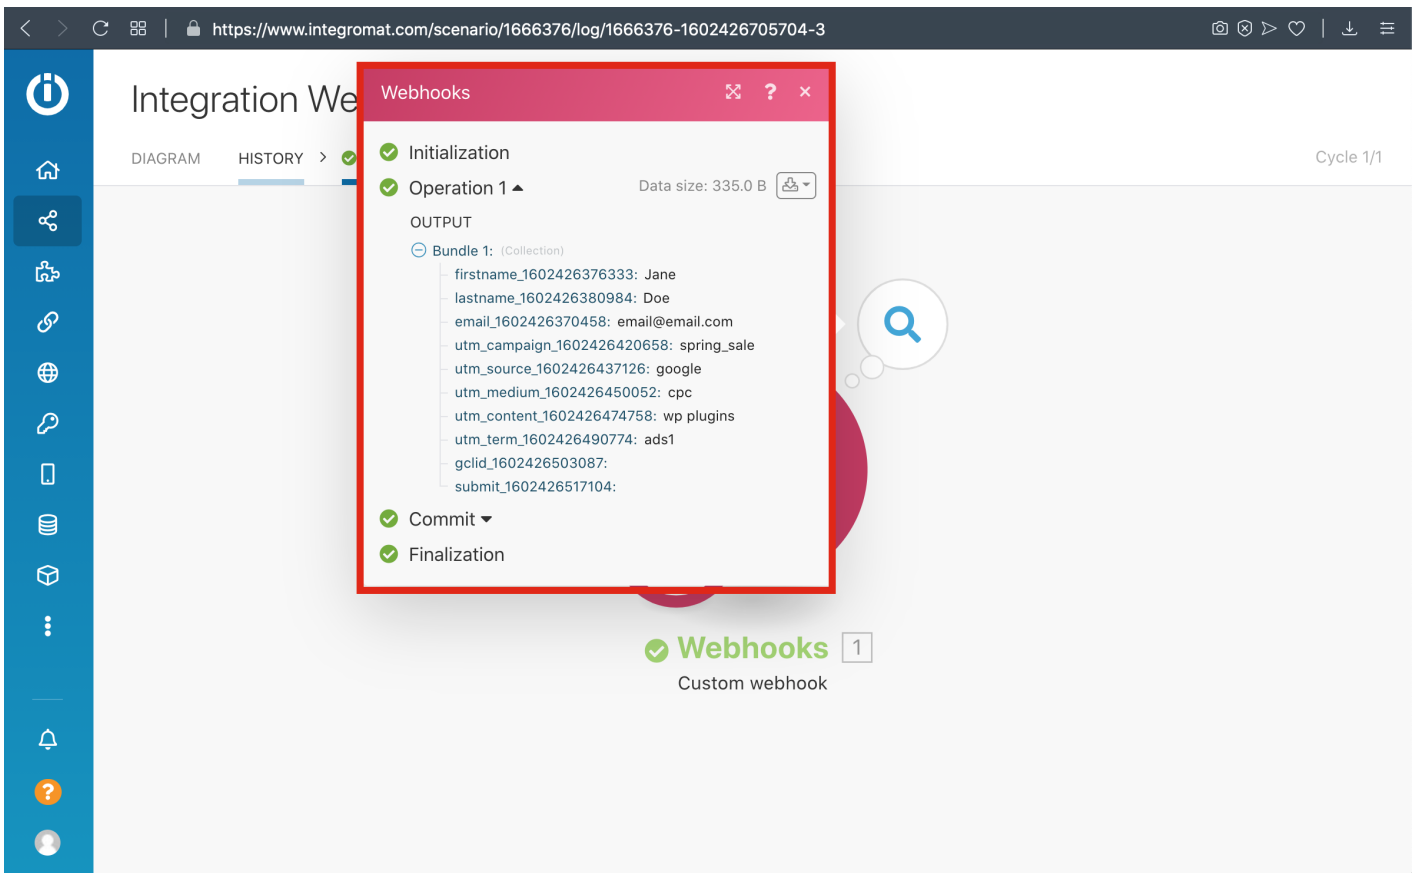

The screenshot shows a web browser window with the URL `ntegromat/?utm_source=google&utm_medium=cpc&utm_campaign=spring_sale&utm_term=ads1&utm_content=wp%20plugi` highlighted in red. The page features the logo for 'UTM GRABBER V3' and a form titled 'Ninja Forms To Integromat'. The form includes a note: 'Fields marked with an \* are required'. The form fields are: 'First Name \*' (filled with 'Jane'), 'Last Name \*' (filled with 'Doe'), and 'Email \*' (filled with 'email@email.com' and a green checkmark). A red arrow points to the 'SUBMIT' button.

## 9-) Go To Scenarios to see your Data

## 10-) Here is Your Result
