# Track UTMs with Sleeknote

Add the code in your page and you will be all set!

```
document.addEventListener('sleekNote', function (e) {
  if (e.data.type == 'submit'){
    data = e.data.data
    Cookies.set('email', data.email)
    _segq.push(["identify", data.email]);
  }
}, false);
```
